	FIRST & LAST NAME ADDRESS	ADDITIONAL COMMENTS?
1	Charlotte Reiter - 1180 BMK Blvd	I'm not able to attend the meeting tonight but would like to show my support! I think transforming Sunset Park into a small community beach is a terrific idea. The funding plan sounds very sensible to me - a great use of available funds. I really appreciate your work on this and look forward to any news on developments. Hope the meeting goes well and thank you!

		I have lived in BMK for 37 years and have loved it. I read about sunset Beach and sent on BMKCSD website and I am very excited about it. We have always needed same thing this for all our residents to enjoy. I am definitely in favor of it as long as we can keep out the public and the homeless!! The fencing looks like it should take care of that. It is important that we keep our area beautiful and our lagoons maintained so that future generations can enjoy it as well. I hope that you will have enough support from the resident to proceed. And thing like this always

Good morning Vicki, and thank you for your input. If I might provide some food for thought, the fence allows full visibility through it still, see design precedents we included below. Is this your only concern? Lastly, if I could gather your address as well if you don't mind, I've been noting names and addresses to include with feedback. Please let me know your thoughts and thanks again.

I've included the link to our full presentation at the Town Hall in Nov for your reference and we will be presenting again at the BOD mtg Thursday with additional information, questions, and answers.

Good evening Natalia. I'm not in favor of the proposed beach. I do not want it fenced in and lose the beautiful view of the water.

Re: Sunset Beach Project

Hi Pete - Thank you very much for reaching out and sharing your thoughts, the committee has welcomed all feedback! We have thought about and discussed many of the things you mentioned, leading up to, and during the Town Hall on Nov 10th BUT I am collecting all the answers to the questions that have been discussed in various different settings to include in the presentation for the Dec 19th board meeting.

This is the current document that we presented in the Town Hall, and are adding more information to for Thursday:

https://www.bmkcsd.us/notices/sunset-park-slideshow-presentation/

If I could just pose some food for thought in the meantime.....

- There are many community pools across the city of Novato, state of CA, and US. The Sunset Beach idea is very similar to this in concept and yet communities across the US continue to adopt and build this neighborhood amenity because it is good for the residents. There additionally are many communities that have beaches available and are also actually public, for instance Foster City. We did research on many of these in the Bay Area which can be reviewed in our presentation.
- I have been going to board meetings regularly + live down from & frequent Montego Park, but have not heard or seen any evidence of drugs and alcohol being an issue in any of our parks, so I'm curious what leads you to believe this beach park would be any different? It is on a highly visible location on BMK Blvd, with a high fence and locked gates. I'm just saying that if I were a teenager, I would go anywhere EXCEPT somewhere that I'd be easily seen or caught doing anything I'm not supposed to.
- Did you know there has never been a drowning in BMK ever? This is all while residents + guests boat and swim off docks every day.

Again, as mentioned we have been gathering additional information from our underwriter, landscape crew, etc and will have those readily available to discuss on the 19th, I hope you can make it and thank you.

PARKS & OPEN SPACES MISSION:

EQUITABLE ACCESS FOR

ALL BMK RESIDENTS

TO ENJOY

ALL COMMUNITY AMENITIES

AND STEWARDSHIP FOR ALL PARKS & OPEN SPACES

MSR A COMMITTEE: PARKS & OPEN SPACES

Measure A was a county-wide measure that was passed in 2022 and applicable for 9 years, to fund park and recreation improvements. This brings in about \$58,000/year. These funds are to be used only for parks and recreational facilities and cannot be used for any other purpose.

WHY?

THE CREATION OF AN ALL ACCESS BEACH PARK LOCATION IS IN DIRECT RESPONSE TO FEEDBACK RECEIVED DURING THE MEASURE G CAMPAIGN AND WOULD ADDRESS THIS INEQUITY

TRANSFORMING SUNSET PARK INTO A SMALL NEIGHBORHOOD BEACH IS A MUCH NEEDED AMENITY FOR THE COMMUNITY THAT BENEFITS EVERYONE, BUT ESPECIALLY HAS IN MIND FAMILIES WITH YOUNG CHILDREN, NON-LAGOON RESIDENTS, SENIORS, OR ANY OTHER RESIDENT WANTING A MORE <u>EASILY ACCESSIBLE</u> OR <u>FUN</u> WAY TO SWIM AND KAYAK!

DID YOU KNOW?

- 14% OF RESIDENTS DO NOT CURRENTLY HAVE SWIMMING ACCESS TO THE LAGOON AT ALL
- NOT ALL RESIDENTS HAVE SAFE OR ACCESSIBLE WAYS TO SWIM FROM THEIR OWN LAGOON PROPERTIES
- ALL RESIDENTS PAY THE SAME TAX AMOUNT FOR MEASURE G, THAT WAS PASSED IN MARCH 2024, REGARDLESS
 OF PROPERTY SIZE OR TYPE. MSR G FUNDING WILL BE PRIORITIZED TOWARDS MARINE UPGRADES FIRST.
- SHORELINES AND BOAT RAMPS RESTRICT SWIMMING ACCESS, NOR ARE THESE AREAS A WELCOMING SWIM
 ENVIRONMENT. SHORELINES <u>DO</u> NEED TO RESTRICT ACCESS, SO THAT NON RESIDENTS CANNOT FISH OR KAYAK.
- MEASURE A, D, & G COMMITTEES ARE ALL INDEPENDENT TEAMS, FORMED BY DIFFERENT RESIDENTS, WORKING ON SEPARATE INITIATIVES ALL CONCURRENTLY.
- MEASURE A, D, & G FUNDING COMES FROM THEIR OWN SOURCES AND ARE NOT CONNECTED IN ANY WAY.
 FUNDING CANNOT BE COMMINGLED.
- ADDED COMMUNITY AMENITIES INCREASES HOME VALUES FOR ALL

SUNSET BEACH: HISTORY TIMELINE

<u>SEPT 2023</u> - MEASURE G OUTREACH STARTED, AND MANY COMMUNITY MEMBERS ASKED FOR A REDUCED MSR G TAX DUE TO NOT HAVING ACCESS TO LAGOONS **BUT** A TAX MUST BE APPLIED EQUALLY TO ALL RESIDENTS. IN RESPONSE MANY COMMUNITY MEMBERS THEN ASKED FOR ACCESS TO LAGOONS.

NOV 2023 - CONCEPTUAL SKETCHES WERE PRESENTED TO SHOW POSSIBLE BEACH UPGRADE IDEAS AT EACH BMK PARK, INCLUDING SUNSET JAN 2024 - ALL MSR G TOWN HALL MATERIALS FOLLOWING, INCLUDED CONCEPTUAL SKETCHES OF THE BEACH PARKS, AND EQUAL ACCESS WAS INCLUDED IN ALL DISCUSSION GOING FORWARD, AS WELL AS CLARIFICATION OF MSR A VS MSR G FUNDS

MAR 2024 - MSR G PASSED

MAY 2024. MSR G, MSR D, AND MSR A COMMITTEES WERE REQUESTED TO BE FORMED BY THE BOARD & CSD, WHO ASKED THE ENTIRE COMMUNITY FOR RESIDENT VOLUNTEERS, AND ALL RESIDENTS WERE INCLUDED ON THE COMMITTEES OF THEIR CHOICE

JUNE/JULY 2024 - MSR A, PARKS AND OPEN SPACES COMMITTEE FORMED, INCLUDING VINCE LATTANZIO AS BOARD LEAD. WE MET MANY TIMES TO ALIGN ON WHAT PROJECT(S) TO PRIORITIZE USE OF MSR A MONEY FOR AND UNANIMOUSLY AGREED WITHIN THE COMMITTEE ON OUR MISSION STATEMENT AND SUNSET BEACH PROJECT TO RECOMMEND TO THE BOARD, AFTER MANY DISCUSSIONS AND SITE VISITS.

AUG 2024 - CONCEPT/LOCATION, BOARD APPROVED - MSR A COMMITTEE RECOMMENDS SUNSET BEACH PARK PROPOSAL TO THE BOARD SEPT 2024 - REVISED FUNDING, BOARD APPROVED - MSR A COMMITTEE RESEARCHED ADDITIONAL GRANT FUNDING ORIGINALLY THOUGHT TO BE AVAILABLE TO US, BUT WAS NOT APPLICABLE FOR PRIVATE PARKS. THEREFORE ESTIMATES WERE ADJUSTED AND BROUGHT BACK TO THE BOARD TO APPROVE USE OF OPERATING FUNDS AS NEEDED, NTE \$150K IF DONATIONS AND VOLUNTEER HOURS WERE NOT ENOUGH OCT 2024 - COMMITTEE DOES ADDITIONAL SITE SURVEY WORK, REFINES DESIGN TO INCLUDE USE OF EXISTING CURB AND INCLUDES OTHER ELEMENTS PER RESIDENT FEEDBACK. FULL 11X17 PAGE WRITE UP INCLUDED IN N2N ASKING ALL RESIDENTS TO ATTEND A TOWN HALL TO BE INFORMED AND HEAR MORE DETAIL.

NOV 2024 - THE "COMMITTEE UPDATES TOWN HALL" WAS HELD AND SUNSET BEACH DISCUSSED EXTENSIVELY, WITH SEEMINGLY POSITIVE OUTCOME BY THE END OF A CONSTRUCTIVE DISCUSSION. OTHER RESIDENTS WHO DID NOT ATTEND THE TOWN HALL, ATTENDED NOV CSD BOD MTG VOICING OPPOSITION AND CONCERNS DURING PUBLIC COMMENT.

<u>DEC 2024</u> - TO ADDRESS PUBLIC COMMENTS, MSR A COMMITTEE HAS GATHERED QUESTIONS/CONCERNS AND WILL PRESENT RESPONSES ALONG WITH ANOTHER PRESENTATION OF SUNSET BEACH PARK PROPOSAL

SUNSET BEACH: LOCATION & BENEFITS

HIGHLIGHTED AREAS ARE 14% OF KNOWN RESIDENTS WITHOUT LAGOON ACCESS

UTILIZING UNUSED OPEN SPACE FOR NEW AMENITIES, SUNSET IS LARGEST UNDERUTILIZED PARK IN BMK

SAFE & ACCESSIBLE SWIMMING & KAYAKING

BUILDING SENSE OF COMMUNITY PRIDE

INCREASED HOME VALUE

CENTRALIZED LOCATION FOR ALL RESIDENTS

HAS ADEQUATE SPACE NEEDED ON LAND AND WATER

SUNSET BEACH: LOCATION & BENEFITS

16 PARKING SPOTS IN DEDICATED PARKING LANE. PARKING DOES NOT DISRUPT TRAFFIC FLOW & NOT IN FRONT OF RESIDENT'S HOUSES

SHELTERED COVE AWAY FROM BOATING W/LESS WAKE INTERFERENCE FOR SMALL KIDS

PROTECTED NATURALLY FROM ANY PUBLIC ACCESS OTHER THAN GATES, UNLIKE BERMUDA HARBOR

STRAIGHT FENCE, EASIER CONSTRUCTABILITY

SUN STUDIES = BEST SUN EXPOSURE

SWIM AREA IS ADEQUATE SPACE WITH BOTH SHALLOW AND DEEPER AREAS

EXISTING CONCRETE WATER CURB

SHALLOW GRADUAL SLOPED ENTRY INTO LAGOON

WHAT ABOUT OTHER PARKS?

MSR A COMMITTEE DID RESEARCH AND SITE VISITS FOR ALL POSSIBLE PARKS, CONSIDERING THE FOLLOWING CRITERIA (INCLUDING BUT NOT LIMITED TO):

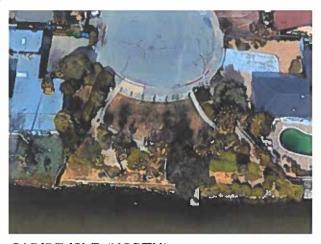

- PARKING SPOT AVAILABILITY
- USEABLE SWIM SPACE & WATER QUALITY
- BOAT TRAFFIC PATTERNS & WAKE ZONES
- ENVIRONMENT FACTORS
- SITE CONDITIONS IMPACT ON CONSTRUCTABILITY
- ADJACENT NEIGHBOR IMPACTS

BAHAMA REEF (EAST)

- SPACE IS VERY NARROW & DOESN'T ALLOW NEIGHBORS EASY MOBILITY IN AND OUT OF DOCKS IN A BOAT, WHILE ALLOWING ADEQUATE SWIMMING AREA
- PARKING NOT IDEAL WITH NO DEDICATED PARKING LANE, WOULD IMPACT TRAFFIC FLOW
- CURRENT FENCING IS TOO LOW TO DETER TRESPASSING, WOULD NEED REPLACEMENT

WHAT ABOUT OTHER PARKS?

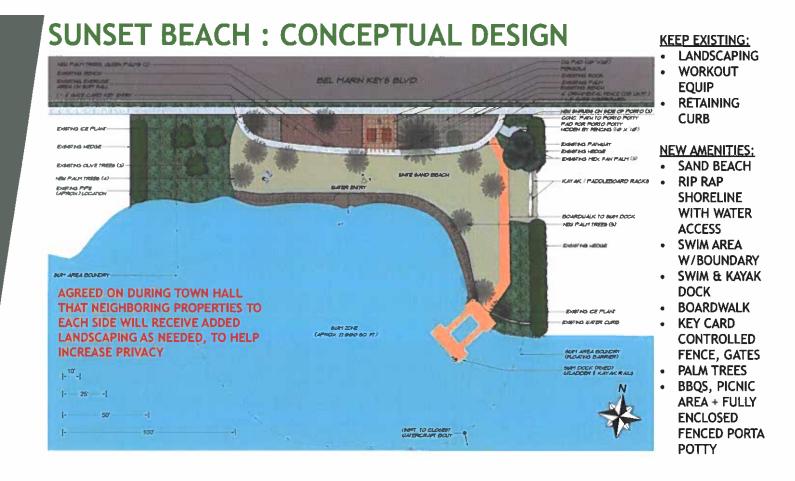

CARIBE ISLE (NORTH)

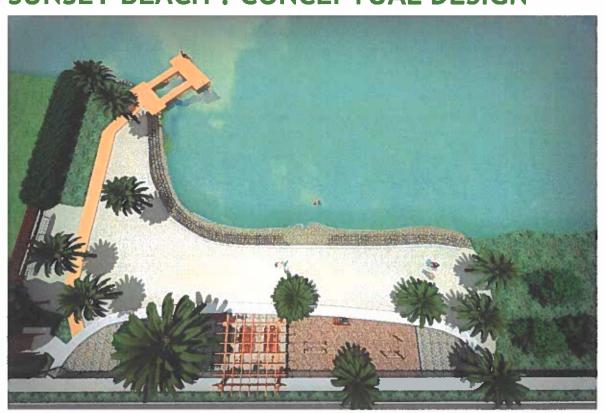

- OVERALL PARK ENVIRONMENT NICE BUT VERY LITTLE PARKING
- MINIMAL SUN EXPOSURE
- LARGE ROCK SHORELINE, NOT EASY TO NAVIGATE, NEEDED TO PROTECT SHORE FROM WAKES
- UNSHELTERED SWIM AREA VERY CLOSE TO THE WAKE ZONE IN A STRAIGHTAWAY WHERE BOATS ARE GOING VERY FAST, NOT IDEAL FOR SMALL KIDS
- GREAT OPTION FOR 2ND FUTURE BEACH

BERMUDA HARBOR

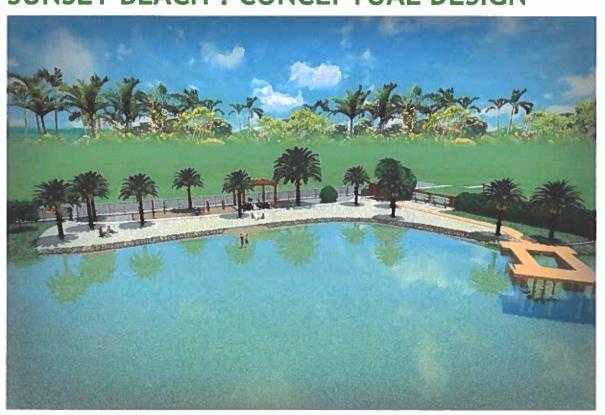

- LANDSCAPE GRADE TOO STEEP
- USEABLE LAND SPACE IS TOO NARROW, SHALLOW AND OVERALL TOO SMALL
- CSD PARKING LOT HAS 16 SPACES, SAME AS SUNSET BEACH, LESS SAFE HAVING KIDS RUN ACROSS THE BLVD
- DIRECT LINE OF SIGHT AND ACCESS FROM PUBLIC LEVEE TRAIL MAKE IT EASY AND ENTICING FOR NON-RESIDENTS TO SWIM THE SHORT DISTANCE OVER FOR UNLAWFUL USE

COMMITTEE
DISCUSSED AND
AMENABLE TO
COMPROMISES
SUCH AS
REMOVING
PERGOLA, PICNIC
TABLES, AND BBQ
IF NEEDED

THESE AMENITIES
WERE ACTUALLY

OTHER
RESIDENTS

SUNSET BEACH: QUESTIONS & ANSWERS

What about the CSD's liability?

- Liability = NEGLIGENCE If the CSD properly signs the beach with rules & regulations, keeps the premises maintained, and warns
 guests of known hazards, a lawsuit would have a hard time being brought to, and standing up in court. In general, the law requires
 that you take "reasonable precautions" to prevent accidents or unauthorized use.
- Owners are most likely liable when they leave their properties in disrepair, don't address safety issues, fail to warn visitors of potential dangers, and similar circumstances.
- Private Beach Liability: Private beach owners, resorts, or operators have a duty to ensure the safety of their guests. They must
 maintain the premises, provide proper signage, and warn visitors of any known dangers. If an injury occurs due to their NEGLIGENCE,
 such as failure to address hazards or maintain facilities, they could be held liable for the resulting damages.
- Safety of small children is the responsibility of the adult chaperoning them into the swim area.
- Children under 12 cannot enter without an adult and key card, and the gated fence reduces "attractive nuisance" liability.
- There has never been a fatality in BMK, and we have daily boating and swimming in the lagoons. This is evidence that residents
 of BMK are aware of water safety and already take necessary precautions to maintain their safety.

How many people can residents invite? What is the maximum occupancy?

- We do not limit or regulate occupancy at any park in BMK, nor would we be able to. Common sense and respectful behaviour from residents (or lack thereof) will determine what is appropriate on a case by case basis depending on the situation as it is with all other parks, open spaces, and lagoon use.
- It was aligned at the Town Hall that we would post in the rules "no events or large parties" which should cover the majority of issues, and new rules would be added and actions taken to address any future issues IF they arise

Who enforces the rules?

Per current operating procedure at all parks, open spaces, and lagoons in BMK - rules are enforced by CSD, sheriff, and self policing

Safety... Vandalism... Teenagers... Oh my!?

- The CSD doesn't have any evidence of vandalism at parks other than kids putting rocks in the Montego Courts door so they can get in + some damaged pickleball net frames earlier this year. There also hasn't been any evidence of drug or alcohol use being a problem in parks currently. Because there is not evidence substantiating a persistent issue, we will keep close watch of this and install cameras should there be a need in the future.
- Teenagers in general do not want to hang out where they will get caught doing something they aren't supposed to. This is a HIGHLY VISIBLE spot both from the street and surrounding neighbors, so it's unlikely to be an issue.

> Does the fence block the beautiful view?

The fence DOES NOT block views. It's a fully transparent black iron fence that still allows anyone walking or driving by to enjoy!
